LOWELL ALUMNI ASSOCIATION

Dear Lowell Alumni:

The Nominating Committee of the Lowell Alumni Association ("LAA") encourages you to apply for a seat on the Association's Board of Directors, and to help recruit suitable and interested candidates.

We are seeking to nominate candidates from and with diverse backgrounds, perspectives and experiences who will be up for election at the 2027 General Membership Meeting, which is scheduled for January 28, 2027. The Committee will nominate up to ten candidates for the ten seats that will be up for election. Even if you are not nominated, you may run for a seat.

A Timeline of key dates in the application process is attached, as well as instructions for submitting an application.

All prospective Board members must:

1. Support and maintain the mission of the LAA, which seeks to (a) maintain and enhance relationships that serve and support Lowell alumni, students, school and the broader Lowell community; and (b) to preserve and enhance the excellence of the Lowell educational experience and maintain alumni connections to one another and their alma mater.

2. Possess a deep love for and be dedicated to Lowell High School, support the Association's efforts to preserve and enhance the excellence of a Lowell High education, and demonstrate a strong desire and ability to provide service to LAA, the alumni community, Lowell, and current and future Lowell students.

3. Be willing to help provide critical resources for school programs, fund scholarships for Lowell students, support alumni reunions and advocate for a strong future for Lowell. This includes the following obligations:

(a) Attendance. Attend all regular and special meetings of the LAA Board and Committees to which they are assigned, but no less than three (3) out of five (5) regularly scheduled Board meetings and at least fifty percent (50)% of all special meetings that are called from time to time;

(b) Service. Serve on at least two board committees, and contribute leadership, work and ideas in a substantive, meaningful way on at least one committee. The LAA is a working Board and most of the work for the Association is done by members of the Board on a volunteer basis. Please note that many Committees do not require Board membership to serve, and would welcome non-director volunteers; and

(c) Donations. Make or obtain from others a minimum of $250 per term in donations to the LAA (except for any Directors graduating from Lowell less than five (5) years prior to their term of service, or based on financial circumstances).

Board members will have a chance to work closely and enjoy interactions with highly accomplished colleagues from a broad range of backgrounds and meet and help Lowell students achieve their potential. We can help continue a nearly two century tradition of excellence.

Based on an assessment of the skills and experience of present members of the Board, as well as organizational needs, the Committee believes that candidates who possess the following sets of skills and experience would be particularly helpful to LAA in the coming years:

1. Fundraising
2. Financial Management/Accounting/Auditing
3. Information Technology
4. Marketing/Communications/Public Relations
5. Event organization/Hospitality

If you are interested, please submit your application via the online form posted at www.lowellalumni.org/generalmeeting no later than 5pm Pacific time on Friday, November 13, 2026. Questions can be sent to nominations@lowellalumni.org.

Thank you, and we look forward to the opportunity to serve with you.

On behalf of the
LAA Nominating Committee,

Kate Lazarus, Chair
